Visit to The Wiltshire Museum in Devizes

Eric Ravilious: Downland Man

A chance to visit this exciting exhibition guided by a gallery expert - there is a possibility that the curator, James Russell, might be able to show us round. The day begins with coffee at the Museum at 10.30 followed by an introductory talk before we will be shown round the paintings by someone from the museum staff. After the tour has concluded (about 12.15) there will be a possibility for those who so wish to lunch at The Peppermill in Devizes - we have booked space for 20 of us - the cost of lunch is **NOT** included in the price of this visit and it will be up to you to pay for what you consume on the day. It will be necessary to pre-order (you can view their menu online to get an idea), and we will be writing to those who book a seat to get their menu choices nearer the time. **Please note that for this visit there is no coach travel**, and it is up to you to get yourself to and from Devizes. **The total cost of the visit is £10 and numbers are limited to 25.**
